

Registering for the Utah-Idaho LWML Retreat

It is different this year. To make it easier for women used to doing business online and using cards for transactions, instead of cash or checks, Camp Perkins has agreed to handle our registration through their website. We'll be registering like the kids!

It is a two-step process. First, you need a profile (account) with Camp Perkins under your email address and a password. Once those are created, you can use the special link to go to the registration page for the retreat. You will have the option to choose a roommate and can fill out the medical and liability waiver forms.

When you register you will need a credit or debit card to make the deposit. You can send the balance of your payment to Camp with a check. We recognize that not everyone will be comfortable registering online. If that is your situation, please ask someone to help you. You can reimburse them for the deposit.

Deadline for registering: July 1, 2024.

How To Register

If you have a profile and password (account), skip to Step 6. If not, create your profile and password.

I hereby waive, release, discharge and hold Camp Perkins harmless from any injury, illness, death, expense, loss or damage whatsoever that may arise from or may be related to such medical treatment or other care, even if the same is caused in whole or in part by any negligence of Camp Perkins.
