FIRST BIENNIUM MISSION GRANT FUNDED

This is our first distribution of Mission Grant Funds for this new biennium! VP of Gospel Outreach, Toni Champlin had the pleasure of handing a check worth $1250 to Lois Anderson and Sheryl VerWey. They administer the program Stories@Sunset with Immanuel Lutheran Church in Twin Falls, Idaho. These funds will go to purchase books for this ministry that happens during the summer months. The remaining funds will be distributed next spring. Please pray for the children and families that will be touched through this ministry.

HISTORY OF THE MUSTARD SEED

by Cindy Runyan, VP of Christian Life

Have you ever wondered how the Mustard Seed Devotions got its name? Great things often start in the smallest of ways. I discovered this convenient devotion's history was created by the LWML in 1971, as a leaflet for women working outside the home to share their faith on coffee breaks. It has become a time-honored Christian resource that continues to inspire faith today. Here is more information directly from the National LWML website. (cont. on pg 2)

"The History of Mustard Seed Devotional Packets

The seed of the mustard plant is among the smallest of seeds, yet from this small seed grows a large bush. Jesus used the analogy of a mustard seed to show how something small and seemingly inconsequential can have a powerful impact.

In 1971 the Lutheran Women's Missionary League (LWML) developed a new series of short personal Bible studies called Mustard Seeds. These individual leaflets were designed initially to help women working outside the home share their faith during coffee breaks and lunch hour discussions. Over the years the LWML developed numerous Mustard Seeds packets, all on different topics.

Mustard Seeds packets are used both for personal Bible study and as an evangelism or witness tool. The newest packets in this series include a devotional text, clear Gospel message and include the complete text of quoted scripture. With these additions to a time honored product, the LWML hopes that Mustard Seeds continue to be a strong, vibrant tool for Christian growth and Gospel sharing. "

CHURCH WORKER GRANT FUNDS AWARDED

by Pam Quisler, VP of Organizational Resources

"Utah-Idaho District's Church Worker Grant Program is meant to assist students accepting their first call to become full-time workers in the Lutheran Church Missouri Synod (LCMS) The $3000 amount would be divided equally between qualified applicants.

I am pleased to announce that we had one applicant this year. The $3,000 is awarded to Pastor Joe Pierson who attends the Specific Ministry Program (SMP) offered at Concordia St. Louis. He has accepted a call from Holy Trinity Lutheran Church in Logan, Utah., where he was also currently a member. We wish him peace and joy as he steps into his new role as Pastor. May the Holy Spirit guide his way.

STORIES@SUNSET REPORT

The Stories@Sunset event is in full swing this summer, beginning on Wednesday, July 8, and will continue until August 5. The first week, the children heard the story, Nature's Lullaby Fills the Night, while they and their family listened to the story being read and broadcasted over 93.7 FM station in their cool cars. Yes, it's been very hot; however, the excited and eager children do not seem to notice.

Other books that will be shared with the children are: The Armadillo Who Came for Dinner, Bored Panda, All You Need to Know About Dogs by A.Cat, and I Love You Mouse. When the last page of the book has been read, the children bounce out of the cars, eager to select another book from the table while picking up a little snack and then playing with friends on the school lawn.

(cont. next pg)

The parents also enjoy this time to connect with each other for a time of fellowship. Thanks to the LWML Utah-Idaho District's grant, many books have been purchased for the summer events and also for Stories@Christmas and Stories@Easter. These events encourage the children to read and also point them to Jesus and His love. Your Mites in Action have helped to make this program available to the children in the Twin Falls community.

YWR DISTRICT CONVENTION REPORT

by Arianna Keyser

As a YWR we had dinner with the board of directors and special guests, including our National representative, keynote speaker, and other YWRs for the convention. For the Convention our district had 6 YWRs in total with 3 of us having served as National YWR and 3 new YWRs. Those of us who attended the past national convention reported on our time as YWRs for the 2025 National Convention. We attended the business meetings where we heard about where some of our mites went this past biennium from our mites in action speakers, listened to some passionate discussion regarding the upcoming budget and how best to use our mites, and watched as the voting that will shape our next 2 years took place including the budget, board officers, and mission grants. 10 out of 20 mission grants were fully funded with 2 more partially funded. 3 YWRs helped tally the ingathering offering where we received 5,535 diapers and selections of the other requested items that I couldn't write down fast enough to give an accurate report of, but it was enough to fill the car of the representative from the Compassion & Hope Pregnancy Center where those supplies will be going, so thank you to all who donated.

Some of the YWR participated in skit to promote the 2027 National Convention in OKC. This skit script is available online if you would like to use it with your own congregation. To end the convention our newly elected board members were installed into their new positions, including one YWR who was installed as the Utah Zone President, and we thanked the past board members for their service.

Thank you for allowing us to serve as your district convention YWRs.
